

Online Patient Services

How to Sign Up

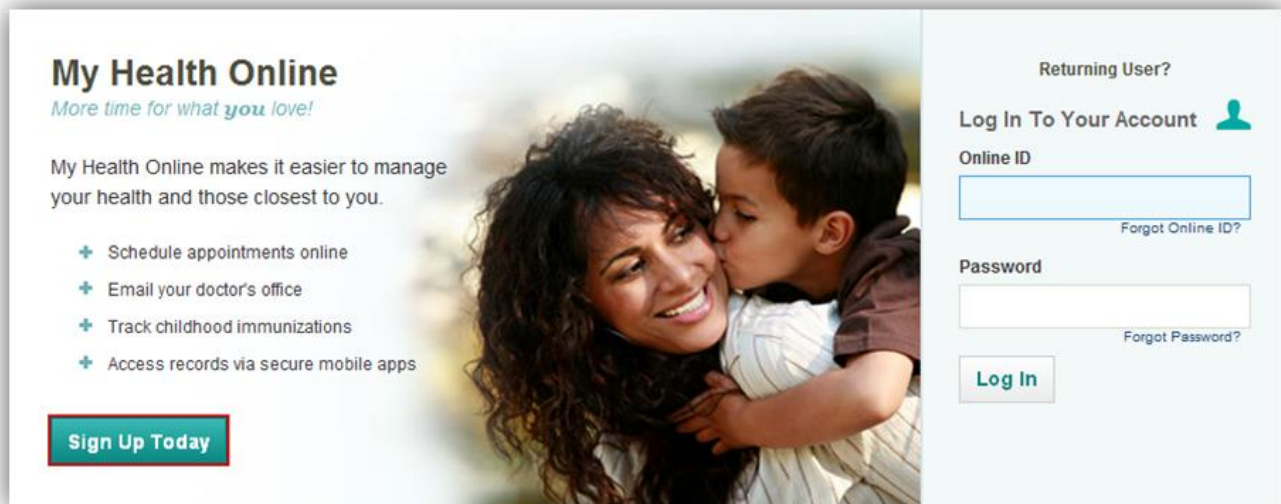

Know

- My Health Online offers a way for patients to access their health record online and allows you a way to: Update your health history, Make an appointment, Renew Medication Prescriptions, Messaging your care team and Review test results

*Note: Not all services are offered by every clinic.

Do

- Go to: <https://myhealthonline.sutterhealth.org/mho/> or type My Health Online into your search engine.
- Click on **Sign Up Today**.

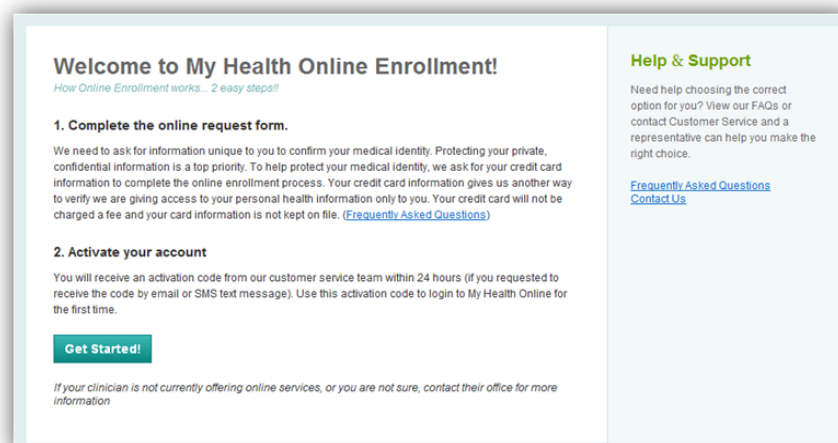

- Click Online Enrollment, and then follow the instructions provided online.

1. Online Enrollment

Enroll online and receive an access code via email, or SMS text message, within 24 hours for my own medical records.
